EN 1873: 2014+A1:2016

DECLARATION OF PERFORMANCE

No 001DoP2017-07

1. Product Type Unique identification code of the product-type:	Prefabricated accessories for roofing – Individual rooflights of plastics, upstands
2. Type batch or serial number or any other element allowing identification of the construction product as required under Article 11 (4):	MEGALUX® rooflight systems Individual rooflights of plastics – acrylic [PMMA] and/or polycarbonate [PC] cupolas, single or multiple skinned, with or without edge profile, light-transmitting panels. Upstands of PVC or Polyester
3. Intended use or uses of the construction product, in accordance with the applicable harmonized technical specification, as foreseen by the manufacturer:	For natural light transmittance and/or ventilation for use in flat and/or inclined roofs
4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5): - Registered trade mark:	Van Deudekom Plastics B.V. Oceanenweg 9, 1047 BA Amsterdam, The Netherlands Postbus 59353, 1040 KJ Amsterdam, The Netherlands Tel. + 31 (0)20 497.90.90, Fax: + 31 (0)20 497.90.92 Email: info@vandeudekom.nl 
5. Authorized representative: Where applicable, name and contact address of the authorized representative whose mandate covers the tasks specified in Article 12(2):	Not applicable
6. AVCP: System or systems of assessment and verification of constancy of performance of the construction product as set out in CPR, Annex V:	AVCP System 1 + AVCP System
7. Notified Body (hEN NB): In case of the declaration of performance concerning a construction product covered by a harmonized standard: System 1: Notified factory production control certification body performed the determination of the product type on the basis of type testing (including sampling), type calculation, tabulated values or descriptive documentation of the product, the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the constancy of performance of the product. System 3: The notified testing laboratory Performed the determination of the product type on the basis of type testing, type calculation, tabulated values or descriptive documentation of the product. The manufacture - Van Deudekom Plastics B.V. performed the factory production control.	System 1: Factory production control (FPC) certification performed by notified bodies (NB): NB 0336 - TÜV Rheinland Nederland BV - TÜV NB 0786 - VdS Schadenverhütung GmbH - VdS NB 0432 - Materialprüfungsamt Nordrhein-Westfalen- MPA System 3: Product testing and certification performed by notified bodies (NB): AB L115 - TNO Technical Sciences (Rva Accr.) - TNO NB 0786 - VdS Schadenverhütung GmbH - VdS NB 0960 - SKG-IKOB Certificatie BV - SKG NB 0432 - Materialprüfungsamt Nordrhein-Westfalen- MPA NB 1020 - Technický a zkušební ústav stavební Praha-TZUS NB 1368 - Institut für Industrieaerodynamik GmbH – IFI

8. Declared performance

9. Declaration

The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 8.

This declaration of performance (DoP) is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:

M. Bhagwandien,
Commercial Director

Amsterdam, 01 July 2017
